Why Come to the Table?

Why come to the table? Jesus had a thing about tables. He loved them, and he sat with so many people sharing a meal, talking, and giving Himself to them. It is our heritage almost, to do the same! We gather here at "the best table in town" which provides the setting for the divine sacrifice and gift of the Eucharist. We come together in less formal ways to share a meal, a cup of coffee or a glass of wine and we celebrate milestones and revisit memories and share life together. At all of these tables, all of these sacred spaces, Jesus is with us.

Join us this year as we explore what it means to *Come to the Table*. Join us as we explore the ordinary sacred ritual of gathering around the table in our homes and together as a parish community. Join us for formation opportunities that invite us to come to the table of justice, peace, fellowship, joy and love. Together, let's see how Jesus reveals Himself to us. He knew the graces of the table and used it as sacred space as He proclaimed His kingdom... and He wants us to do the same.
